STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING

Oak Lodge Water Services District formed January 1, 2017 with the consolidation of two formerly separate special service districts known as Oak Lodge Water District and Oak Lodge Sanitary District. The notice of budget hearing here includes figures for the proposed budget beginning July 1, 2017 but not the current fiscal year from January 1, 2017 to June 30, 2017 or a previous fiscal year because the District was not required to adopt a budget for its very first fiscal year and there was no prior year on which to report prior year actuals. Oak Lodge Water Services District's major source of revenue are its service charges. The District's budgeted service charges must grow about 4% from its legacy districts' previous years in order to ensure gross revenues are exceeding operating expenses and positively covering ongoing debt service and related coverage covenants while also providing a means to accumulate cash resources for capital outlay expected in both the short and long term future. The District is confident it can anticipate favorable financial results and a resulting financial position in fiscal year 2018 despite general local economic
