**STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING**

Oak Lodge Water Services' major source of revenue is service charges. OLWS is proposing a 37.5% increase in its service charge rates to ensure gross revenues are exceeding operating expenses and positively covering ongoing debt service and related coverage covenants while also providing a means to accumulate cash resources for capital outlay expected in both the short and long term future. The capital outlay budget is significantly higher than the previous year as a result of adopted Drinking Water and Wastewater Master Plans. OLWS has appropriated all remaining available cash reserves in its capital fund contingency accounts so the money can become available if necessary for a number of planned capital projects with unknown timelines. OLWS is confident it can anticipate favorable financial results and a resulting financial position in fiscal year 2023-2024.
